Feedback on team dynamics:

1. How effectively did your group work?

Efficient meetings and collaboration work.

2. Were the behaviors of any of your team members particularly valuable or detrimental to the team? Explain.

Collaborative nature: valuable to have team members
As the project required setting up the environment different systems as this project, which was the trickiest part.

3. What did you learn about working in a group from this assignment that you will carry into your next group experience?

Prepare for the worst – tasks that seem ordinary might be the one that could take more. Communicate well with your team and manage expectations and challenges.
